TOPIC: Customer Service/Sales

Do you hate sales? Is the sales part of your job the part you avoid, neglect or delegate? Regardless of what your parents may have told you, "sales" is not a dirty word. It is as honorable to sell as it is to buy. Becky Fox will share some thoughts on sales and customer service that she has learned in the past 20 years that she has been in business.

Becky Fox has lived in Cottage Grove for 20 years and has been a member of WBDG since its inception. She is currently in the top 2% of her company as an Independent Sales Director with Mary Kay and has won numerous awards and prizes. Prior to starting her Mary Kay business, Becky was a kindergarten teacher and had no real sales experience. She fell in love with teaching women how to use the products and providing excellent customer service. One of her greatest joys is to teach other women how to sell and be proud of the selling profession. Becky lives in Cottage Grove with her husband Dan and their two daughters Kelsey and Morgan.
